ENGLISH

I'm going to give you an injection now.

You'll feel a small scratch.

Are you allergic to any anaesthetic?

The last time I was numbed, it didn't work properly.

Tell me if you feel any pain and I'll give you more.

Raise your hand if you need me to stop.

Is your lip starting to feel numb?

The numbness will last two or three hours.

Be careful not to bite your lip or cheek while it's numb.

Don't drink anything hot until the feeling comes back.

Can I have something to help me relax?

We can offer sedation if you're very anxious.

I'm very nervous about the needle.

Would you like a topical gel before the injection?
