ENGLISH

We need to take an X-ray to see what's happening under the gum.

Is the X-ray safe? I'm pregnant.

The dose is very low, but we'll postpone it if we can.

Bite gently on this tab and hold still.

This is a panoramic X-ray — it shows both jaws at once.

Hold your breath for a moment.

When did you last have X-rays taken?

Can you send my records to another dentist?

The X-ray shows decay between these two teeth.

There's a dark area at the root tip — that's an infection.

I can't see anything wrong on the surface, so let's test the nerve.

Does this tooth react to cold?

Tell me when you feel it, and again when it stops.

Everything looks healthy — see you in six months.
